"The Art of Excellence"

Facilities and Equipment

MKC Beauty Academy, located near Hollywood, California, provides a unique experience for students and professionals who want to excel in the Fashion, Print and Beauty industries. Ideally located in the heart of the entertainment industry, MKC Beauty Academy is just a stroll away from Universal Studios, Warner Bros., Disney Studios, and world-famous Hollywood Boulevard.

The New MKC Beauty Academy campus offers a relaxing oasis with stylish comfort, in a private educational retreat. The campus includes newly remodeled, professionally designed classrooms, The MKC Pro Shop, a student lounge, an outside patio, and our one-of-a-kind 1000 square foot professional photo studio with cyclorama.

Our on-site Administration Offices are conveniently located near the classrooms with a knowledgeable and friendly staff always willing to help students with financial aid, course schedules, school facilities or career planning.

The professionally designed and equipped classrooms feature high quality tools and supplies, and an expert lighting package, allowing up to 12 students per classroom the opportunity to study in the most industry-like environment available. Our recently remodeled classrooms include a digital camera and video monitoring system for viewing up-close demonstrations and imagery taping for online portfolios.
