

Dear Prospective Students

Opportunities in make-up artistry in the Beauty, Fashion and Entertainment industry have never been more exciting. MKC Beauty Academy is the frontrunner of knowledge and technology with incomparable success in the development of professional artists and leaders.

Achievements and breakthroughs in digital photography and high definition technology have confirmed the need for master level artists in specific fields. It is clear that the most promising artists today excel in the fine details, as well as are knowledgeable in all related areas, including the specific area of leadership as they handle the high demands in fast paced and exciting industries.

MKC Beauty Academy has long been a world leader in make-up artistry training and leadership development. Rarely has our commitment to provide an environment of collaboration and self-discovery been more critical to the evolution of beauty and entertainment. Central to our mission is a curriculum that professionally unites the study of essential technique and the enduring practice of mentorship into a unified learning program. Experts reinforce this foundation with hands on knowledge and experience enabling students to pursue a deeper, individualized understanding of the ideas that inspire them. Students can work with faculty mentors from disciplines as varied as retail, bridal, TV, film, advertisement commercials, music videos, red carpet, fashion runway, beauty and editorial print.

These pages will introduce you to the innovative curriculum and core principles that distinguish MKC Beauty Academy - The Art Of Excellence and to the exciting campus that is our home. Of all the acclaimed aspects of the MKC Beauty Academy experience, however, none is more vital or valuable to us than the diverse and devoted students who contribute so much to one another, to the life of the school, and to the future of master level beauty experts who advocate leadership and innovation. We welcome your interest as a prospective member of this unique community and encourage you to visit us on the web or on campus to discover more about your own future as a MKC Beauty Academy Trained Artist.
