Professional Photography Program in Beauty & Fashion

In this program you will learn everything you need to know to become a professional photographer in beauty and fashion.

From the very basics to the most advanced techniques, top image expert Margaret Kimura has created this program based on her knowledge and experience from almost 30 years in print, television, fashion and film.

In addition to unequalled beauty photography skills, as a Professional Beauty Photography student you will participate in an unprecedented 4 professional photo shoots with master makeup artists, hair stylists and models, as a result your portfolio will be ready to start landing you real industry jobs in fashion and beauty. (Complete Beauty Photography Program is a total of 210 clock hours)
