

Mission

MKC Academy of Fashion, Beauty & Print is a private institution whose primary objective is to create successful, professional artists through beginner and advanced, supplemental and vocational training as it relates to the Fashion, Beauty and Print Industries. MKC Academy of Fashion, Beauty & Print offers training for individuals seeking employment, as well as for working professionals interested in continuing their education specializing in Fashion, Beauty & Print.

In addition to courses in Beauty Photography, Fashion, Modeling, Print Makeup Artistry, Print Hair Styling, MKC Academy of Fashion, Beauty & Print also includes courses in related fields, as well as courses in Business and Marketing. These supplemental courses help create a more professional well-rounded visual stylist, who is able to adapt to situations and advance more quickly in the Fashion, Print and Beauty Industry.

In the highly competitive Fashion, Beauty & Print industries artists must be more skilled than ever and must have a strong work ethic and desire to succeed. To be successful it will take much more than just learning the techniques, artists must be focused on every part of their business. The MKC Academy of Fashion, Beauty & Print full circle approach in teaching helps develop confident leaders and innovators, with individual style and expertise. In our highly acclaimed "Success Coaching" workshop students are provided valuable tools in problem solving and conflict management, while learning self confidence and inner strength.

MKC Academy of Fashion, Beauty & Print courses are complete programs for students who wish to create their own techniques and style, and to develop the experience and skills required to be successful as individuals in life, and as professionals in the Fashion, Print and Beauty Industry.
